**\*NEW LOCATION: This meeting will be held at 3700 Glenwood Avenue, Suite 500, Raleigh\***

**Description:** Join us as we examine how Hyperbaric Oxygen Therapy and other DAN (Defeat Autism Now) Protocol modalities are being used to help children diagnosed with Autism Spectrum Disorder.

**NOVEMBER 2007**

**Topic:** Treating Lyme Disease: Two Standards of Care

**Date:** Tuesday, November 6 – **NEW TIME! 7:00PM – 8:00PM**

**Description:** Join us as we discuss how Hyperbaric Oxygen Therapy can effectively treat chronic Lyme disease and how extending hyperbaric treatments may relieve symptoms permanently.

**Topic:** Thermal Imaging. Saving Breasts. Saving Lives.

**Date:** Tuesday, November 20 – **NEW TIME! 7:00PM – 8:00PM**

**Description:** Learn the factors influencing breast cancer development, progesterone's role in breast health, and the types of breast imaging tools available for the early detection of breast cancer, including thermography.

**DECEMBER 2007**

**Topic:** Examining the Dangers of Mercury Toxicity

**Date:** Tuesday, December 4 – **NEW TIME! 7:00PM – 8:00PM**

**Description:** This presentation will focus on one of the most common and serious toxins in our environment, tying in the issues of exposure from various sources including dental amalgam fillings.

**Topic:** Finding Relief from Worn-Out Woman Syndrome

*Sponsored by Triangle Compounding Pharmacy*

**Date:** Tuesday, December 11 – **NEW TIME! 7:00PM – 8:00PM**

**\*NEW LOCATION: This meeting will be held at 3700 Glenwood Avenue, Suite 500, Raleigh\***

**Description:** If you're one of the millions of women who have trouble concentrating, suffer from fatigue, experience muscle aches or headaches, or have trouble sleeping, it's time to start treating the cause and not the symptom! This presentation will discuss the causes of WOWS, how you can identify the symptoms, and what you can do to begin counteracting its effects.
